

Welfare Incomes 2005

The following charts show 2005 welfare incomes, from the most generous to the least generous province, for each household type. Welfare incomes in the three territories are shown separately at the bottom of each chart. These are more generous for all household types, but this is largely a reflection of the higher costs of living in northern Canada.

2005 Welfare Incomes by Province and Territory

2005 Welfare Incomes by Province and Territory

* Most single persons with a disability in Alberta receive assistance through the Assured Income for the Severely Handicapped program, which provides higher benefits than welfare.

Please refer to *Welfare Incomes 2005* for additional details.
